The Selection Criteria for this job is:

- Energy -
- Strength -
- Fitness -
- Positive Attitude -
- Can follow instruction. -
- Can move quickly. -
- Good communication -
- Literacy -
- Numeracy -

Application

To selection manager at Miami Bakehouse, I am writing this job application to express my interest in working in your store as a bakers assistant/kitchen hand. I find cooking and working in a kitchen quite enjoyable and would like to enhance the skills I have learnt through TAFE within a professional bakery. I have the ability to work alongside a team to achieve a goal. I believe that I have the required energy, strength, and fitness to be an excellent fit for the role. Although I have no previous bakery or work experience, I believe through my TAFE course in hospitality I do have skills that can be built upon by training.

I would be able to work within the required time of the shifts including on Saturdays. As cooking and baking is an interest of mine, I do have some experience with baking things such as sausage rolls or pies.

I have a positive attitude towards work and tasks required to me, and I work most efficiently when following written instructions and recipes. I am able to do heavy lifting to a reasonable extent and can usually move quickly and efficiently as long as I know what I am doing. I believe am satisfactory with Numeracy and Communication and excellent at Literacy.

- Oliver Boardman
